EDUCATION

• Indore Institute of Science and Technology

CGPA:8.35

BTech(ComputerScienceandEngineering),2026

Courses:DataStructures(DSA),OperatingSystems,DBMS,OOPS,Software Engineering

PROJECTS

• University Management System

- Developed a system with three user roles: **Student**, **Faculty**, and **HOD**, where users can view profiles, and **Faculty/HOD** can manage assignments.
- Features include a **notice section**, **complaint system**, and **placement cell** for company HR to filter students and send emails.
- **Tech Stack:** Java (Backend)with MVC, SQL (Database), JavaScript, HTML, CSS (Frontend).

• Mental Health Detection Software

- Built a **Mental Health Detection Software** using **JavaScript**, **HTML**, and **CSS** that conducts a **5-level quiz** to assess users' mental health.
- Generates a personalized **Mental Aptitude Self Score** based on quiz results and provides tailored guidance for mental health support and awareness.
- Designed to promote **self-identification** of mental health status and offer resources for improving well-being, particularly in the context of **smart education**.
- **Tech Stack:** JavaScript (Quiz logic), HTML, CSS (Frontend Design)

TECHNICAL SKILLS

- Languages:C/C++(Proficient),Java,Python,Javascript
- FullStackDevelopment:HTML,CSS,JavaBackend,SpringMVC
- Database:Mysql, SQLite
- DeveloperTools:,VSCode,Git,Eclipse,Netbeans
- Operating Systems: Windows, Linux

ACHIEVMENTS AND AWARDS

- **Solved100+problems** on Leetcode and Hackerrank
- Finalist at **Smart India Hackathon 2024**
- **NPTEL Certification** in **C programming language** from **IIT Kanpur**
- **NPTEL Certification** in **Programming in Java** from **IIT Kharagpur**
- **NPTEL Certification** in **Data Structure and Algorithm using Java** from **IIT Kharagpur**
- **NPTEL Certification** in **Joy of Computing using Python**from **IIT Madras**
- 2000+ LinkedIn Connections, expanding professional network and learning from industry professionals.
- Served as **Discipline Captain** at Army Public School, honing leadership and organizational skills.

Extracurricular Activities

- **Orator & Tech Mentor:** Conducted workshops to teach programming concepts in **C**, **C++**, **Python** to peers .

- **Vice President, Smagra Samutkarsh Club**

Leading initiatives focused on the holistic development of students, organizing events and programs that promote personal growth, leadership, and community engagement.

- **Lead** at Event Management in coding club –**DEV X DSA**
